

UNSW
THE UNIVERSITY OF NEW SOUTH WALES

Assessment Cover Sheet

Lodgment

All written work must be lodged in the assignment drop box outside the BSB Student Office (Room G27 Biological Sciences Building) on the due date at the time specified by your lecturer/tutor – if no time is specified work must be lodged by 4:30pm on the due date. This cover sheet should be securely attached to the front of the assessment. We will not be responsible for any missing pages due to assignments not being stapled. It is essential that the code and name of the course be clearly indicated on the coversheet. Work with an incorrectly filled-out coversheet may not be marked. It is your responsibility to ensure you keep a backup copy of all submitted work.

Late Submission

If your work is submitted after a specified submission deadline, the work may or may not be marked, at the discretion of the course coordinator. Similarly, there may or may not be a penalty, again at the discretion of the course coordinator. If medical grounds preclude submission of a report by the due date, contact should be made with the course authority as soon as possible. A medical certificate will be required for late submission on medical grounds and must be appropriate for extension period.
